FINAL NOTE BY THE ~~MEMBER~~ MEMBER OF COUNCIL.

21)

Subject: Appointment of Mr. C. V. Nelson for the Dental
Department of the Victoria Hospital, Bangalore.

22)

Dr. W. F. Rule, who was employed in December 1917 temporarily for one year, to be in charge of the Department of Dentistry in the Victoria Hospital, having stayed away since November last and demanded exorbitant terms for accepting a re-engagement, he has been informed, with His Highness' approval, that his services are no longer required by Government and arrangements have also been made to get a medical graduate, viz. Mr. V. V. Monteiro, trained in England for this Department. Pending Mr. Monteiro's return after the completion of his training, it is necessary to make some temporary arrangement for the work of the Department. The Senior Surgeon has received two applications in this connection, one from Mr. C. V. Nelson and the other from Mr. L. S. Vas. Both of these candidates have undergone only the mechanical course in Dentistry and hold no diploma or degree in that subject. The Senior Surgeon considers that a salary of Rs. 250/- a month for tri-weekly visits, which Mr. Vas wants, is high and recommends the employment of Mr. Nelson on a pay of Rs. 100/- per mensem for working in the Dental Department of the Victoria Hospital from 8 to 11 A.M. daily, cases requiring any serious operations on the jaw being performed by the surgeons on the staff of the Hospital.

23)

2. Neither of the candidates that have come forward is quite suitable, having no academical qualifications in Dentistry, and it is desirable that the Dental Department in the Victoria Hospital should be under a man with some status in the profession.

24)

But as no better arrangement appears to be possible at present

Page 3 of
Office Notes

the officiating Dewan is inclined to try Mr. Nelson for six months
and see how he gets on. I have no objection to this proposal
and it may be sanctioned.

To

Sir,

In connection with the department of dental surgery in the Victoria Hospital, which has been closed with effect from the 1st November 1918, from which ^{dalt} Dr. Rule stopped away, I have the honor to state that a young man by name C.V. Nelson, (a nephew of Mr. T.R. Venkataswami Naidu, retired Deputy Inspector of Schools), has applied for a post. He does not possess any recognisable diploma in dental surgery. But he has undergone the course in the Madras Medical College and holds a certificate from the Dental Surgeon of the General Hospital, Madras, for his having undergone two years' apprenticeship under him in mechanical dentistry and that he is capable of doing scaling, extraction, and other mechanical work. If he is appointed, he may be entrusted with such work, any serious operations on the jaw requiring surgical skill, being performed by the Surgeons on the staff of the Hospital. I request the favor of orders of Government in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.
